Methodical Muscle Exercise.

SWEDISH MOVEMENT, HEALTH GYMNASTICS, THE WHOLE RANGE OF MASSO-THERAPEUTICS COVERED.

The system of Massage administered by many European practitioners has drawn crowds to them and afforded relief to great numbers of sufferers, while in New York, Chicago, Philadelphia and other cities Massage as a remedial and curative agent has become, during the last few years, to be recognized. Baltimore, therefore, should support an institution which has for its object Massage given in a scientific, thorough and interesting manner.

 All Orders Promptly Attended to. 

There are some specialties to be found in every mercantile house that all housekeepers should investigate; for instance, our "Carleton" Flour always makes beautiful white bread, and at same time contains the nutriment required for brain food in a large degree. Our "Sisson" brand of pure Salad Oil goes ahead of all Olive Oil sold here in point of delicacy and the quality and quantity of dressing it makes.

We are agents for some of the best old wine houses in Europe, and can give you advantages of pure Wines at low prices. We manufacture our Flavoring Extracts, and put them ahead of any made in the United States for strength, flavor and purity. Our "Early Bkft."
